Please make your reservations ASAP for what promises to be an incredible evening with our very special guest, a real Jewish hero...

Please spread the word and bring your family and friends along.

Yosef Mendeleovich began to develop his Jewish identity as a young man living under Soviet oppression in Riga. In 1970 at the age of 22 and already a veteran of the Jewish Underground, Yosef made news around the world with a daring attempt to escape the Soviet Union with a small group of fellow "refuseniks" on a small tourist

aircraft.

Before they could board the plane, they were arrested by the KGB, resulting in the infamous Leningrad Trial which generated international attention. The defendants exhibited great bravery in court. The international uproar moderated two of the death sentences.

Rabbi Mendeleovich will share his incredible story of how he survived eleven years in the Gulag, resisting all attempts to vanquish his body and soul, while at the same time deepening his trust in G-d and love of Israel.

Worldwide pressure helped to finally gain his release to Israel. He married, became the father of seven, obtained rabbinical ordination, and happily teaches Torah in Jerusalem. Yosef's talks about his personal spiritual and physical odyssey are compelling and inspiring.

## MAZEL TOV
